

CAPE High School Graduation/Completion Rates
 as of Nov. 2019

CAPE offers a program in which teaching and learning happens through integration and personalization. Our latest student demographics for the 2018-2019 year indicate that about 18% have mild/moderate, 2.5% have severe disability codes, 3.0% are coded as gifted/talented and 0.5% as gifted/disabled. In addition, assessments show that 90% of our population require supports and amended or modified programs.

HIGH SCHOOL COMPLETION

CAPE tracks its students as they move through high school and beyond. Of the students that attended CAPE for two years or more, 61.84% have responded to our inquiries. The following data clearly demonstrates the effectiveness of our program.
