SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

6019 CAPE-Centre for Academic and Personal Excellence Institute The financial statements of presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

TABLE OF CONTENTS

To the Members of Centre for Academic and Personal Excellence (CAPE):

Opinion

We have audited the financial statements of Centre for Academic and Personal Excellence (CAPE) (the "Jurisdiction"), which comprise the statement of financial position as at August 31, 2023, and the statements of operations, cash flows, changes in net financial assets, remeasurement gains and losses, and the accompanying schedules of net assets, deferred contributions, program operations, operations and maintenance, cash, cash equivalents, and portfolio investments, tangible capital assets, remuneration and monetary incentives, and asset retirement obligations for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Jurisdiction as at August 31, 2023, and the results of its operations, changes in its net financial assets, remeasurement gains and losses, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Jurisdiction in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information - Unaudited Schedules

Management is responsible for the other information included in Schedule 9: unaudited schedule of fees and Schedule 10: unaudited schedule of system administration.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated, If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Jurisdiction's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Jurisdiction or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Jurisdiction's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Jurisdiction's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Jurisdiction's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Jurisdiction to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SQUARE METRES

School buildings	3,464.0	3,464.0
Non school buildings	0.0	0.0

Notes:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed Infrastructure Maintenance Renewal (IMR), CMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

xpensed IMR, CMR & Modular Unit Relocation & Lease Payments: All operational expenses associated with non-capitalized IMR and CMR projects, modular unit (portable) relocation, and payments on leased facilities.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Unsupported Amortization & Other Expenses: All expenses related to unsupported capital assets amortization and interest on unsupported capital debt.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.

1. AUTHORITY AND PURPOSE

CAPE – Centre for Academic and Personal Excellence Institute (the Jurisdiction) delivers education programs under the authority of the Education Act, 2012, Chapter E-0.3 (formerly School Act).

The Jurisdiction receives funding for instruction and support under Ministerial Education Grants Regulation (AR 215/2022). The regulation allows for the setting of conditions and use of grant monies. The School Jurisdiction is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance Canadian public sector accounting standards (PSAS). The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

BASIS OF FINANCIAL REPORTING

Valuation of Financial Assets and Liabilities

The Jurisdiction's financial assets and liabilities are generally measured as follows:

Financial Statement Component Cash and cash equivalents Accounts receivable Accounts payable and other accrued liabilities Debt

Measurement Cost Lower of cost or net recoverable value Cost Amortized cost

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Financial assets are the school jurisdiction's financial claims on external organizations and individuals, as well as cash.

CASH AND CASH EQUIVALENTS

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These short-term investments have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

ACCOUNTS RECEIVABLE

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Liabilities

Liabilities are present obligations of the school jurisdiction to external organization and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

ACCOUNTS PAYABLE

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

VACATION PAY

Vacation pay is accrued in the period in which the employee earns the benefit.

DEFERRED CONTRIBUTIONS

Deferred contributions include contributions received for operations which have stipulations that meet the definition of a liability per *Public Sector Accounting Standard (PSAS) PS 3200.* These contributions are recognized by the Jurisdiction once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred revenue also includes contributions for capital expenditures, unspent and spent:

Unspent Deferred Capital Contributions

Unexpended Deferred Capital Contributions (UDCC) represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the Jurisdiction, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per PS 3200 when spent.

• Spent Deferred Capital Contributions

Spent Deferred Capital Contributions (SDCC) represent externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related tangible capital asset. Recognition over the useful life of the related tangible capital asset is due to certain stipulations related to the contributions that require that the school Jurisdiction to use the asset in a prescribed manner over the life of the associated tangible capital asset.

ASSET RETIREMENT OBLIGATIONS

Asset retirement obligations are legal obligations associated with the retirement of a tangible capital assets (TCA). Asset retirement activities include all activities relating to an asset retirement obligation. These may include, but are not limited to;

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

ASSET RETIREMENT OBLIGATIONS (Continued)

- decommissioning or dismantling a tangible capital asset that was acquired, constructed or developed;
- remediation of contamination of a tangible capital asset created by its normal use;
- post-retirement activities such as monitoring; and
- constructing other tangible capital assets to perform post-retirement activities.

A liability for an asset retirement obligation is recognized when, as at the financial reporting date:

- (a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (b) the past transaction or event giving rise to the liability has occurred;
- (c) it is expected that future economic benefits will be given up; and
- (d) a reasonable estimate of the amount can be made.

When a liability for asset retirement obligation is recognized, asset retirement costs related to recognized tangible capital assets in productive use are capitalized by increasing the carrying amount of the related asset and are amortized over the estimated useful life of the underlying tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets and those not in productive use are expensed.

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

- a) are normally employed to deliver government services;
- b) may be consumed in the normal course of operations; and
- c) are not for sale in the normal course of operations.

Non-financial assets include tangible capital assets and prepaid expenses.

TANGIBLE CAPITAL ASSETS

The following criteria applies:

- Tangible capital assets with costs in excess of \$5,000 are capitalized.
- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the tangible capital asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the tangible capital asset, and asset retirement cost.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Work-in-progress is recorded as an acquisition to the applicable tangible capital asset class at substantial completion.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

TANGIBLE CAPITAL ASSETS (Continued)

- Assets are written down to residual value when conditions indicate they no longer contribute to the ability of the Jurisdiction to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Spent Deferred Capital Contributions.
- Buildings that are demolished or destroyed are written-off.
- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the Board are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the Jurisdiction's rate for incremental borrowing or the interest rate implicit in the lease. A schedule of repayments and amount of interest on the leases is provided in Note 8.
- Tangible capital assets are not amortized in the year of acquisition or in the year of disposal.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings	40 years
Equipment	4 to 10 years
Computer Hardware & Software	4 years

PREPAID EXPENSES

Prepaid expenses are recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

OPERATING AND CAPITAL RESERVES

Certain amounts, as approved by the Board of Trustees, are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Net Assets.

REVENUE RECOGNITION

All revenues are recorded on an accrual basis of accounting. Cash received for which goods or services have not been provided by year end is recognized as unearned revenue and recorded in accounts payable and other accrued liabilities. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

REVENUE RECOGNITION (Continued)

Donations and non-government contributions are received from individuals, corporations, and private sector not-for-profit organizations. Donations and non-government contributions may be unrestricted or externally restricted for operating or capital purposes. Unrestricted donations and non-government contributions are recognized as revenue in the year received. Externally restricted donations and non-government contributions are recognized as deferred contributions if the terms for their use, or the terms along with the donor's actions and communications as to the use, create a liability. These resources are recognized as revenue as the terms are met and, when applicable, the donor complies with its communicated use.

In-kind donations of services and materials are recognized at fair value when such value can reasonably be determined. While volunteers contribute a significant amount of time each year to schools to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds, the value of their services are not recognized as revenue because fair value cannot be reasonably determined.

Transfers from all governments are referred to as government transfers. Eligibility criteria are criteria that the Jurisdiction has to meet in order to receive certain transfers. Stipulations describe what the Jurisdiction must perform in order to keep the contributions. Transfers without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Transfers with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity.

Contributions with stipulations are recognized as revenue in the period the stipulations are met, except when and to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with *Section PS 3200*. Such liabilities are recorded as deferred revenue.

EXPENSES

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

PROGRAM REPORTING

The Division's operations have been segmented as follows:

- ECS Instruction: The provision of ECS education instructional services that fall under the basic public education mandate.
- *Grades 1 12 Instruction:* The provision of instructional services for Grades 1 12 that fall under the basic public education mandate.
- Operations and Maintenance: The operation and maintenance of all school buildings and maintenance shop facilities.
- *Transportation:* The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facilities.
- System Administration: The provision of board governance and system-based / central office administration.
- *External Services*: All projects, activities, and services offered outside the public education mandate for ECS children and students in Grades 1-12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, and object on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies & services, school administration & instruction support, and System Instructional Support.

FINANCIAL INSTRUMENTS

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The Jurisdiction recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, bank indebtedness, accounts payable and accrued liabilities, debt and other liabilities. Unless otherwise noted, it is management's opinion that the Jurisdiction is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

All financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of items in the cost or amortized cost upon initial recognition. The gain or loss arising from derecognition of a financial instrument is recognized in the Statement of Operations. Impairment losses such as write-downs or write-offs are reported in the Statement of Operations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

MEASUREMENT UNCERTAINTY

The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets and rates for amortization, as well as allowances for doubtful accounts.

3. CHANGE IN ACCOUNTING POLICY

Effective September 1, 2022, the school division adopted the new accounting standard PS 3280 Asset Retirement Obligations and applied the standard using the modified retroactive approach with restatement of prior year comparative information.

On the effective date of the PS 3280 standard, school division recognized the following to conform to the new standard;

- asset retirement obligations, adjusted for accumulated accretion to the effective date;
- asset retirement cost capitalized as an increase to the carrying amount of the related tangible capital assets in productive use;
- accumulated amortization on the capitalized cost; and
- adjustment to the opening balance of the accumulated surplus/deficit.

Amounts are measured using information, assumptions and discount rates where applicable that are current on the effective date of the standard. The amount recognized as an asset retirement cost is measured as of the date the asset retirement obligation was incurred. Accumulated accretion and amortization are measured for the period from the date the liability would have been recognized had the provisions of this standard been in effect to the date as of which this standard is first applied. There are no impacts on either the prior year or current year's financial statements as a result of the change in accounting policy.

4. FUTURE CHANGES IN ACCOUNTING STANDARDS

During the fiscal year 2023-24, School Jurisdiction will adopt the following new accounting standard of the Public Sector Accounting Board:

• PS 3400 Revenue (effective September 1, 2023)

This standard provides guidance on how to account for and report on revenue, and specifically, it addresses revenue arising from exchange transactions and non-exchange transactions.

• PS 3160 Public Private Partnerships

This accounting standard provides guidance on how to account for public private partnerships between public and private sector entities, where the public sector entity procures infrastructure using a private sector partner.

School jurisdiction has not yet adopted these two accounting standards. Management is currently assessing the impact of these standards on the financial statements.

5. ACCOUNTS RECEIVABLE

	2023		2022
Federal Government	\$	21,713	\$ 7,453
Alberta Education - WMA		-	7,433
Alberta Education – Other		-	450
Other		72,062	64,827
Total	\$	93,775	\$ 80,163

6. BANK INDEBTEDNESS

The Jurisdiction has access to lines of credit in the amount of \$150,000 (2022 - \$150,000) that bears interest at the bank prime rate plus 1.00%. The lines of credits are unsecured with no balance at August 31, 2023 (none at August 31, 2022).

The Jurisdiction also has access to a corporate credit card issued with an authorized limit of \$20,000 (2022 - \$20,000), of which \$6,618 was drawn as at August 31, 2023 (2022 - \$1,632) and is included in accounts payable and accrued liabilities. This credit card is non-interest bearing and is unsecured.

7. ACCOUNTS PAYABLE AND LIABILITIES

	2023	2022
Alberta Education - WMA	\$ 76,294	\$ -
Alberta Education - Other	17,800	11,969
Federal Government	52,858	47,077
Other trade payables and accrued liabilities	113,701	48,004
School Fees	23,800	29,770
Total	\$ 284,453	\$ 136,820

8. BENEFIT PLANS

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Jurisdiction does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the Jurisdiction is included in both revenues and expenses. For the school year ended August 31, 2023, the amount contributed by the Government was \$150,609 (2022 - \$148,531).

9. CAPITAL LEASES

Capital leases are funded by the Jurisdiction and are composed of the following:

	2023		2022	
Digitex Photocopier Lease, due 2024, photocopier with a net book value of \$0 (2022 – \$5,684) pledged as collateral	\$	2,828	\$	7,086
Total	\$	2,828	\$	7,086

Payments on capital leases are due as follows:

	Total
2023-2024	<u>2,866</u>
Total payments	2,866
Less: amount representing interest	<u>(38)</u>
Total	<u>\$ 2,828</u>

10. NET ASSETS

	2023	2022
Unrestricted deficit	\$ (131,484)	\$ (47,400)
Operating reserves		
Accumulated deficit from operations	\$ (131,484)	\$ (47,400)
Investment in tangible capital assets	117,267	128,516
Accumulated surplus (deficit)	<u>\$ (14,217)</u>	<u>\$81,116</u>

Accumulated surplus from operations (ASO) includes funds of \$41,464 (2022 - \$65,264) that are raised at the school level and are not available to spend at board level. \$14,318 (2022 - \$11,808) of these funds are invested in tangible capital assets. The Jurisdiction's adjusted deficit from operations is calculated as follows:

	2023	2022	
		(Restated)	
Accumulated unrestricted deficit from operations	\$ (131,484)	\$ (47,400)	
Deduct: School generated funds included in			
accumulated surplus (Note 12)	(27,146)	(53,456)	
Adjusted accumulated deficit from operations (1)	\$ (158,630)	\$ (100,856)	

⁽¹⁾ Adjusted accumulated deficit represents funding available for use by the Jurisdiction after deducting funds committed for use by the school.

11. CONTRACTUAL OBLIGATIONS

The Jurisdiction is committed to a 3-year lease with various equipment schedules, total obligation as follows:

	2023	2022
Computer equipment lease	\$ (120,356)	\$ (138,015)
Total	\$ (120,356)	\$ (138,015)

The equipment schedules expire between 2024 and 2026 with payment obligation is as follows:

	Total
2023-2024	\$ 66,976
2024-2025	40,265
2025-2026	<u>13,115</u>
Total	\$ 120,356

12. SCHOOL GENERATED FUNDS

	2023		2022 (Restated)	
School Generated Funds, Beginning of Year	\$	219,598	\$	238,302
Gross Receipts:				
Fees		-		-
Fundraising		12,695		14,782
Gifts and donations		30,064		20,786
Other sales and services		400		200
Total gross receipts	\$	43,159	\$	35,768
Total Related Expenses and Uses of Funds		64,837		30,301
Total Direct Costs Including Cost of Goods Sold to Raise Funds		24,171		24,171
School Generated Funds, End of Year	\$	173,749	\$	219,598
Balance included in Deferred Contributions	\$	132,285	\$	154,334
Balance included in Accounts Payable	\$	-	\$	-
Balance included in Accumulated Surplus (Operating Reserves)	\$	41,464	\$	65,264

13. RELATED PARTY TRANSACTIONS

All entities consolidated in the accounts of the Government of Alberta are related parties of the Jurisdiction. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

14. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The Jurisdiction's primary source of income is from the Alberta Government. The Jurisdiction's ability to continue viable operations is dependent on this funding.

15. FINANCIAL INSTRUMENTS

The Jurisdiction as part of its operations carries a number of financial instruments. It is management's opinion that the Jurisdiction is not exposed to significant interest, currency or credit risks arising from these financial instruments except as otherwise disclosed.

Risk management policy

The Jurisdiction, as part of operations, has established avoidance of undue concentrations of risk as risk management objectives. In seeking to meet these objectives, the Jurisdiction follows a risk management policy approved by its Board Members.

15. FINANCIAL INSTRUMENTS (Continued)

Credit concentration

Financial instruments that potentially subject the jurisdiction to concentrations of credit risk consist of accounts receivable. Credit risks exist due to 23% of accounts receivable being from one funder (2022 – two funders represented 19%). As the receivables are expected to be collected within the upcoming year, carrying value approximates fair value. However, the jurisdiction believes that there is minimal risk associated with the collection of these amounts.

Fair value disclosure

The carrying amounts of cash and cash equivalents, accounts receivable, portfolio investments and accounts payable and accrued liabilities approximates their fair values, due to the short-term nature of these instruments.

16. BUDGET AMOUNTS

The budget was prepared by the school jurisdiction and approved by the Board of Directors on May 25, 2022.

17. COMPARATIVE FIGURES

The comparative figures have been reclassified where necessary to conform to the current year presentation.
