

A student council is the HEART of student involvement. It's the most representative and powerful student organization because it works in the interests of all students. The Advisory Council will provide students with an opportunity to develop leadership skills, provide peer support, and work together with the School Wide Events committee. These students will be key in organizing and supporting fun days, concessions, and school fundraisers.

Students must be available to attend monthly meetings which are held on Fridays from 12:20 to 1:00. If a council member is unable to attend the monthly meeting, it is expected that the student contacts one of the 3 Advisory Council supervisors ahead of time.

Tentative meeting schedule for 2024- 2025:

- Friday, October 18
- Friday, November 8
- Friday, December 6
- Friday, January 10
- Friday, February 28
- Friday, March 21
- Friday, May 16

Student representatives will be expected to accurately and respectfully represent the interests of their classmates at the meetings, and share information from the meetings with their peers. It is also imperative for students to actively participate in the planning and follow through with their commitments including volunteer opportunities and task completion. It is expected that students will conduct themselves with integrity, honesty and exemplary behaviour.
